

A riders worst weekend (for whatever reason) has been dropped. When a tie occurs the results then revert to a riders number of first place finishes, then second place, then third and so on. I may have had to change some riders points by either adding or subrtacting a point. This will allow the crosstab report to sort properly. It in no way affects the standings.

Any questions or corrections please call 352-795-4031 or email to
