

Pre-registration for the 2010 LRRS season will be as follows:

Pre-Entry closes 10 days (at midnight 12:00 am on the second Wednesday) prior to registration opening for the event.

To pre-register for the event or any of the events go to my.nhms.com. Click on the date you wish to pre-enter for and follow the instructions.

If you have received information via email or USPS mail with your user name and password please enter it at this time. This will bring you to your account. You can edit and/or change your password and other information at this time.

If you have not received a notice that NHMS has set up a user account for you, please contact Wanda Dumas she can help set up a user account for you; her contact information is posted below.

Once you have registered for your races you will be prompted to print a tech inspection form. You can print it at this time. Be sure to have it with you when you arrive at the track. This form will be used for technical inspection as well as used to change or cancel any races; it will also be what you will need to pick up your transponder.

If you do not make the Pre-Entry deadline and wish to enter an event before registration opens at the track please, contact Wanda Dumas
